World's smallest crystal buttons

CRYSTALETTS® SNOWFLAKE EARRINGS

BY DORINDA BALANECKI

Materials List:

- 14 - Crystaletts Buttons
- 10 - 6mm 20 gauge jump rings
- 4 - 4mm 20 gauge jump rings
- 2 - 20mm Swarovski® Snowflake
- 2 - Ear wires

Step 1:

Add 3 buttons onto 2 of the large jump rings

Step 2:

Join 1 large jump ring through 1 each of the buttons on each ring . Add the last button so it is centered between the last 2 buttons,

Step 3:

Add add 1 more large jump ring through the 2 outside buttons and the center button.

Step 4:

Add the small jump rings on the 2 single buttons at the ends

Step 5:

Put the last large jump ring through the snowflake and through a small jump ring making sure to have the buttons facing forward. Add an ear wire. Repeat steps 1 through 5 for second earring.
